

**Civis Artorius**  
**(Skywind NPC)**

**Bio:** Civis Artorius is a male imperial battlemage found at the Mages Guild in Vvardenfell. The son of Guildmaster Trebonius Artorius, young Civis is embarrassed by his father's lack of leadership, the inane tasks he's always assigning everyone. He's grown tired of studying magicka and is eager to go out into the world and make a name for himself, but he worries his father's reputation will follow him wherever he goes. Deep down he wants nothing more than for his father to step down as Arch-Mage and Guildmaster of Vvardenfell, so that Civis might take his place. However, Civis recognizes that for all his father's shortcomings, his power and skills as a battlemage are beyond question. If Civis is ever going to supplant his father, he will need some help.

Player input	Civis Artorius
Your father sent me to find you.	Another one of his trivial tasks. Well, what does he want this time?
He wants you to visit Chancellor Ocato and retrieve a message. I'm to accompany you, assure your safety.	Ha. You can tell Father I'm done being his little errand boy.
He says the message is very important.	Important? If it involves my father, I highly doubt it.
He says it has to be you. You're the only one he trusts. (Persuade)	Please. He 'trusts' everyone. That's his way of conning people into doing his bidding.
You might do well to make a favorable impression with Chancellor Ocato. (Persuade)	And how is that?
Doesn't the Chancellor have the power to appoint the next Arch Mage? (Persuade)	Alright, I'll go, but this message better be good.
I'm going to convince you, one way or another (Intimidate).	Hey, hey, no need for threats. Need I remind you who my father is?
Your father said I was to deliver you to Ocato, by any means necessary. (Intimidate)	Fine, I'll do it. But only out of boredom.
